## TESTAC MULTICAP

Our tactical and combat cap is a step above of the classic ball cap, with many noticeable differences. Built around five panels with Velcro® hook and loop inserts and a removable snap on the back to attach the cap while not in use. Made out of 65/35 ripstop poly-cotton fabric, adjustable Velcro® closure, four eyelets, reinforced crown stitches.

- 7.5 oz. (220 grams.) rip-stop fabric.
- Teflon® finish for stain resistance and water repellency.
- 60% polyester-40% cotton fade resistant fabric.
- Velcro® back closure.

## MATCH CAP

- U.S. made 7.5 oz. (220 grams.) rip-stop fabric.
- Teflon® finish for stain resistance and water.
- 65% polyester-35% cotton fade resistant fabric.
- Velcro® back closure.

## SHEMAGH

Strictly forbidden during the Gulf War the shemagh is widely used by the U.S. military since the beginning of the War on Terror. The shemagh practicality in arid environments explains its popularity with the Western soldiers. Shemaghs are made of 100% softened cotton with a wide array of patterns available.

## COBRA BELT

- Airborne ready COBRA BELT.
- One-time fit and forget.
- Quick attach and detach capability.
- Front web loop compatible with other gear.

## 70SLIDER BELT

The SLIDER BELT is made using the most modern technologies available. The German made fastener can be easily and conveniently opened by sliding laterally and closes automatically. The SLIDER therefore combines all the advantages of a magnet and snap fastener. Made of fiberglass reinforced Nylon (PA) is especially robust for all kind of activities.

## DUTY BELT RIG

## ADVANCE CAP

- 7.5 oz. (220 grams.) rip-stop fabric.
- Teflon® finish for stain resistance and water repellency.
